control. At 12 o'clock the fire spread to the Stoux City I mescal Oil Works, the largest in the country and it will be completely consumed.

The whole city is threstened, awing to the ficree gair which is blowing, and Mayor Fletter has telegraphed to Missouri Valley, Le Mars and other towns for aid. The loss aircady amounts to \$700,000, I all its. The elevator of the insection mit line been destroyed by the flames, but they did not rach the nill proper At 135 the mir was practically under control.

### DEMAND WORK abor Agitator of Cleveland Ohio,

Organizing an Army of Unem-Organizing an Army of Unemployed
CIIVELAND, (I) March 2I Robert
Bandlow, a local lubor agitator, is organizing an arm, of one thousand men from among the estas on imployed. He says that in a few days the army will march to the city ball and demand work of the director of paties works. If work is refused they will apply to the director of charities for sustemance. If this is refused they will apply to the director of charities for sustemance. If this is refused they will apply to the director of charities for sustemance. If this is refused they will demand that, they he sent to the workhouse. Should this demand also be refused. Bandlow says that he will order the men to commit some breach of the law that will compel the authorities to communic them to the workhouse. There have been many uncomployed noen in the city all winter and the condition of some of them is pituable. The police are arranging to keep the mob within bounds.

BAY STATE LEGISLATURE

## NEW TRIAL GRANTED

NEW TRIAL GRANTED
In Case of Mrs Helen M Gougar vs
Congressman Elijah M Morse
Boston, March 21 Judge Putnam, in
the United states District Court, te day
granted the motion of the plaintiff for a
new trial in the cased of Mrs Hicka M
Gougar against Congressman Lipah M
Morse for alleged liber. Mrs Gougar
sued for \$25,000 damages to her char
acter, alleged to have been crused by
certain utterancts of Mr Morse, but the
pury last Suptember, returned a vertical. jury last Suptember, returned a verdick for the defendant. Mrs Gougar's coun-sel appealed on the ground that the verdict was against the weight of evi-dence and instructions of the court.

## MASSACHUSETTS

IMPORTATION OF SHEEP

IMPORTATION OF SHEEP
Proclamation by Governor of Montaria

HILLINA, Mont, March 21 The Governor has issued a proclamation forbidding the importation into this State,
without inspection, of sheep from Oregon, Nevada, Chinornia, Wishington,
Chlorado, Utah, Ollahomo and New
Maxico, because of dang rous disease
Importations will be allowed upon the
cettificate of the State Veterinarian that
they have been inspected and found free
from thesane. The proclamation does
not forbid the massage of such sheep
through the State, but while passing
through they must not be unloaded for
grazing grazing

WHISKEY TRUST SUITS Something Seneational May be Brought Out

Brought Out
CHI AGO, March at 1 the suits of the whiskes trust receiver as against Greenbut & Morris will be commenced in the contents of the bill he withheld by the complainants as juilication might injure their suit, but it can be stated that the proceedings will be sensational. The same of money involved are very targe, much more than has been hirted at Separate suits are to be brought, but they will follow each other quickly. The first of these will be civil, but crimital prosecution will soon fallow. It were day brings nev developments

## PERUVIAN TROUBLES. Contending Forces Agree to an Armistice.

Armistice.

Niw York, March 21. The Herald's Barranco, P.ru, cable says. The concenting forces near Lima agreed to an armistice after Tuesday's fight and hostilities were not resumed yesterday. Stragglers from the capital report that through the intervention of diplomats a provisional government was formed. It is believed that this action will tend to solve the difficulties and will prevent further loss of life which, it is reported, was yery heavy during the three days. was very heavy during the three days fighting

it seems to be settled fact if it the business men of the South are getting tired of the old bourbon rule, the effect of which his been to send men to Con gress who have voted induced appe sation to the auterests of the sections which they represent. The growing sent ment is support of R publishin princ ples is thus recognized by the Seemah c a Democratic paper

publican cluls. The lipulse party his not satisfy the king projet and the risk silver party can meet mount to anything. Those who are dissatisfied with the Democratic party. Therefore, a much more fixely to unite with the lipulstican party than with the lipulst party or the alloce party. Yearly a year ago many to the most influential sugar planters. I louising additional the most sea with the lipulsting party. They weeked for and you divide

It will tost nor thin \$1.0 000 to (s) it lish a few morning paper in N. w. Or hans, but these who are behind the cir terprise have pleaty of morey and are willing to tay to have their political views circulated. Being converts to Republications, they are the converts generally very much incomest. The Democratic party will of corese remain the great party of the South. But its will not be pounds of metally but it for the form. the cond of this century the Lepublic in party will have become a highly re-spectible and influented perty in the South

Hawani's Minister The Washington correspondent of the

the rumor that the President had requested the recall of Minister Thurston day coming from no well defined source, the Hawanan Government to recall Mic whout it said that he would make no re ply one way or the other Minister not be expected to say anything what ever on the subject as long as Secretary Gresham refused to either affirm or den the rumor It would have been general ly diamissed as not true had not Mr Cresham assumed this mysterious air hard to account for the foolish course o Mr Gresbam in not dinying it But he has been equally childish in other mat-ters of this kind when there was no truth in them, so that no i derence can be safe. ly drawn from his non-communicative

It is known absolutely that Mr Cleve land and Mr. Gresham moura more over their failure to overturn the Hawaiian Government and restore the debauched old Queen to her so-called throne that over anything else that has happened under this administration. They steadily from the first pursued a course intended to help the Spreckels revolution ists. As a last resort they withdrew al the war vessels, in spite of the earness plea of Admiral Irwin to the contrary and by that act they tacitly gave encouragement to Spreckles to furnish the money for the recent uprising on the part of the followers of Mrs. Dominis That having proved a ridiculous failure it would be in order for the Adminis tration to give further encouragemen to the revolutionists and thus cheel the growing annexation sentiment by demanding the recall of Minister Thurs ton. But if that course were followed it is almost cretain that Minister Willie would get his walking papers at th

Nothing but fear of the Cleveland Administration and its pucconstitutional in-Hawaii prevented the Government of tebia

that country from demanding Minister Willia' recall at the lime the Minister was under orders from Mr Cheveland plotting for the overthrow of the Gdv ernment there, which plot finally con cluded in the open nemand made by Mr Willis to President Dole that he should step down and out and turn the Government over to Mrs Dominis. Had the Administration pursued any such outra grous, illegal and unconstitutional course loward any other nation with the powe to defend itself, the Minister would have received his passports with orders to gal out of the country in the quickest possi ble time But (leveland and Gresha felt saft with three warships to back up the Minister, to direct blm to bulk'or the weak Covernment of Hawali, and

for Gresham to ask for Mr. Thurston recall would mean an end of Willis York are rapidly dwin ling awns, it is shameful easeer in Hawan. The Ha probable that they will become so few wantan Covernment would feel perfectly wantan Government would feel perfectly quanimous la the r harmorious efforts further unofestitutional interferent with the affairs of tlawan would me the improclament of Mr. Cleveland by the Heuse of be presentatives as soon Cleveland has abeady done in Hawah Monster Thurston, under very grea provocation has exercised great discretion in his transactions with the Sate Department He is personally a charm ong and most agreeable made and new losts his temper or says in proper or disagreeable things There could be no good excusi for isking for his ricall and twould only be done to further diquiet affairs in Himait 18 thi weald be exactly manceed with every thing the Admin stration has done in the Haw truin matter, it may here isked for Mio ster Burston strend, but the rung is generally thought here to be without

When the medical registration bill us up for discussion Mr. Patten, of both trost and moved its indefinite postrement. He presented a remoustrance m fortland and vicinity containing XIO numes and asked that it he placed m fie Mr I atten discussed the a horough manner and thenounced it as arbitrary and inquisitorial. He claimed that a man should be as free to choose sown physician as to choose his own blacksmith "Ihls bill," said Mr Patis Furopean and monarchical, it is verything except democratic ?

In the attenue of the strikers bedruary 28, the contractors declared they would not treat with the nen till they returned to the strikers below would creat with Dr (grindle, of Bluehill thought the till fair and equable Personally he work and then they would treat with them only on the basis of an 8 hour work way it not turn his hand over either way. r brindle argued that the same readay being granted not sooner than May 1 The time for the beginning of the S hou which caused the passage by the In the forthe beginning of the Shouring of the Veterlaary surgeon act, work day was changed to May 1. This was the only point the men gauged. The men go back under the same constituent of any school or not, who had seen it practice three years, would unseen it practice three years, would unseen the practice three years, would unseen the practice of the same constituent of the practice of the Shouring of the only point of the only point the men go back under the same constitution. The same of the only point the same of the only point of the only point of the only point of the same of the only point the only point of t House of the veterlaary surgeon act, explained that any physician, whether a been in practice three years, would under this law be entitled to registration. amundments which made slight verbal thanges | Dr Peaslee then made a 2000 argument for the bill, culogizing the

profession and its work Mr. Howe, of Mile, opposed the bill. lle said the people do not want this class legislation, only a few of the interested physicians want it

Mr Patten called for the yeas and aays on his motion to indefinitely postpone the bill. The motion was lost, 65

Mr Patten then offered an amendmen providing that not more than two of the

members of this registrative board of six shall belong to one chartered society. The amendment was adopted and the Bill Passed the House. On motion of Mr Plummer, of Dexter,

the order establishing the office of State Auditor was taken from the table and passed in concurrence with the Senate. The bill providing for a free bridge at Merrymeeting Boy was indefinitely post-

The ilquor bill caused some little discussion. Several amendments were presented and defeated. A motion to post poned indefinitely was carried by & vota of 63 to 19.

Argentine Repulle which will draw in Bo-livia Peru and Ecusdor as allies of Argen ine against Chili. | One thing feared cole here is that Chili's first ster will be to put a heavy body of tru between all allies and chast e separately at their lelsure."

## JAPAN NOT READY FOR PEACE.

Success of Peace Negotiations Doubtfu), it is Sald in Japan.

I ONDON, March 21 The Morning Post has this dispatch from Yokohama. "The consensus of opinion 19 that the success of the peace negotiations is doubtful The military element, which is distinant, wants the war procedured until the victory its complete. To parliament the feeling is the same In the lower house notice was given of a motion to the effect that the time to negotiate has not yet arrived."

The Great Pages Conference. The Great Place Conference.
LONDON, March 21 The Central News
despatch from Sulmonoseki, says the
oredentials of the purties to the peace
conference at that place was submitted
yesterday and found prapared lodge
form and to center full powers on both
sides. To-day's conference began at
230 P M and ended at 4 o'clock

ary for the electrical contractors' asso-nation and an overwhelming defeat for fattor and an overwholming defeat for the board of walking delegates of the urboast rade unloss, which have been conducting it. The settlement was brought about through the mediation of the New York council or mediation and conclibation, of which Bishop Petter is the head. The committee of misson builders was active in settling the difficulties. It sterday afternoon a meeting was held at the office of Charles Wills. The executive committee of the contractors met the executive board of walking delegates. After a lengtly discussion an agreement between the council was that the walking delegates conceded to the contractors everything demanded. Two Lives Saved Mrs. Phobe Thomas, of Junction City, III., was told by ther doctors she had Consumption and that there was no hope for her, but two buttles Dr. King's New Discovery completely curd her and she says it saved her life. Mr Thos. Eggers, 1.3) Florida street, San Francisco, suffered from a dreadtul cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr King's New Discovery and in two weeks was cured. He is maturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Colgha and Colds. Free trial bottles at Ara Warren's Drug Store. Regular size 50c and \$100 emanaea In the ultimatum of the employers,

egular size 50c and \$1 Electric Bitters This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise. A purer medicine does not exist praise.
